BOOKS2ALL

Reducing educational inequality, one book at a time

Books2All is a non-profit organisation, which aims to **reduce** the rising levels of **education inequality** in the UK through a modern, efficient **app**, connecting **local book donors** with **schools** in need.

- Through our **app**, schools can **select** exactly which books they **receive**.
- Schools can also view **photos** of the book to **verify** their **condition** before receiving them.
- Schools can **sort** through books by **Key Stage**, from KS1 to KS5.
